TRANSMITTAL LETTER

Alexandria, VA 22313-1450

Dear Sir:

On October 25, 2005, Applicants mailed a fourth Information Disclosure Statement (IDS) to the U.S. Patent and Trademark Office in the above-identified patent application. The IDS stated that copies of two memos were respectively attached at the end of copies of Documents B56 and B58 being submitted with the IDS. Copies were inadvertently not attached on that date.

Copies of the memos are being submitted herewith. The memo relating to Document B56 has been labeled with that document number (B56) and the memo relating to Document B58 has been labeled with that document number (B58).

The Examiner is respectfully requested to consider the memos when he considers Documents B56 and B58 and to note in writing that he considered the memos when he initials the PTO-1449 form that lists documents B56 and B58.

Dated: November 2, 2005

Respectfully submitted,

By Greta E. Noland
